

# Edelweiss Recycling Committee

When in Doubt Check it Out at:

[www.wastewisemethow.com/recycling-guide](http://www.wastewisemethow.com/recycling-guide)

[www.methowrecycles.org](http://www.methowrecycles.org)

**Educational Topic:**

**The Edelweiss Cardboard Shed - corrugated cardboard only!**

**Corrugated cardboard** is made up of three layers of paper that includes an inside liner, an outside liner, and fluting with a ruffled shape, which runs in **between** the two. Non-corrugated cardboard can go in the blue bins. All corrugated cardboard should go in the designated stall, NOT the blue bins. See photo below. THANK YOU!

**Left to right: Brown Corrugated, White Corrugated goes in the Stall  
NON-corrugated Egg Carton goes in Blue Bins after crushing**
