

Edelweiss Recycling Committee

When in Doubt Check it Out at <http://www.methowrecycles.org/>

Educational Topic: Glass

Thank you for your interest in Recycling!

GLASS cannot go in the Blue Bins! Glass can, however, be taken to the Methow Recycles in Twisp.

Any glass in Wastewise Blue Bins will break into shards while transporting. This contaminates the entire load as it is impossible to separate from other recyclables. Please take glass to the recycling center in Twisp. We appreciate you for that!

During this pandemic the Twisp facility is open on Thursdays and Saturdays from 10-4pm. It's \$5 to recycle a trash can of glass (no one will be turned away for lack of funds).
